## Reunion HOTEL . . . time is running out!

We suspect some may not be aware of the very special price we have been given for lodging at the Bedford Plaza Hotel, 340 Great Road, Bedford, MA 01730 (781) 275-6700.

We have been given a very special room rate for both Friday and Saturday nights July 15<sup>th</sup> and 16<sup>th</sup> 2011. You will have the choice of either a room with two queen beds or one king bed. The rate of \$69 per night is the same for either room. The hotel is fully accessible to the physically challenged. In order to get this special rate, **you** must call the number listed above and not their 800 corporate office number. When calling you must indicate you are with the Hadley reunion and cite code #1575. Reservations **must** be made **before** June 1. The hotel indicates they will accept reservations made after May 30<sup>th</sup> but the rate will be at their published rate which is about twice the early booking rate they are giving us. The hotel also has a nice indoor heated swimming pool, and free indoor basement parking.

We will be using the second floor non-smoking cocktail lounge of the Bedford Plaza Hotel for social functions after our "Dutch Treat" Friday night dinner. That dinner will be held at the Olive Garden Restaurant, 90 Pleasant Valley Ave, Methuen, MA beginning at 5:30 PM.

Our Saturday night buffet dinner will take place at the Bedford Plaza Hotel. After that dinner we will have access and use of their cocktail lounge for as long as we wish.

## Reunion Registration:

Please remember to complete the attached reunion registration form. (See attachment: **Hadley Reunion 2011 Registration Form**). We will need that registration information to determine the amount of food to order for the reunion plus make-up name tags and arrange for seating and the program presentation.

## Where were you/they in 1930?

You are invited and encouraged to submit a group family picture taken about 1930. This picture will be digitized and projected onto a screen during the music **Guy and Brad Hadley** will be playing for us at the reunion. A montage of different families should be fascinating (and according to Brad, a pleasing distraction for you from his playing). (See attachment: **30s Music**)
